2008 New Year's Eve Prophecy by Pastor Dawn Rene McCann December 31st, 2007

THE MOST HIGH GOD

Do you see it?
Do you hear it?
Do you see it?
Do you hear it?

Do you see it? Do you hear it? If you hear it, you can do it. If you see it, you can be it. Do you see it? Can you hear it?

It's the cry from heaven. It's answering My cries. The hungriness of your hearts, the desperation that you have for more of Me. And because you have put out that desire and because you have honored Me above all things, I am bringing an invasion to this earth. I am going to invade this place with the miraculous in a new way. You're going to see it, and you're going to feel it, and you're going to be it.

For don't you understand that under the old way and under the Old Testament, and under the old covenant, they couldn't see and couldn't partake of all of My glory, because it would be too much for them. Oh, but I sent Jesus. I sent My son and He portrayed My glory upon the earth. And what a glory He portrayed. For He was the very essence, the very mirror of Me, the very image of the Father. He never did anything without checking with Me first. And He showed you how to do it. He could hear what I was saying, He could see what I was doing and He just simply carried it out. He saw through the eyes of the Spirit, and He heard through the ears that which comes from portals of heaven. He could hear the sounds echoing and reverberating through Him. And there was no doubt that I would do what I said I would do. So He walked with Me, and He talked with Me. And then He spoke My words and did My actions and brought about My glory and My Kingdom to earth.

And now I am looking and I'm watching and I'm seeing who will recognize. Who will recognize where the glory lies? For your eyes are looking to heaven, but if you look into the mirror of My Word you would understand that you sit there also. For did I not tell you that you are sitting in Christ already in heavenly places? Do you not understand the price that was paid through My Son has already provided you the fullness of My glory?

Oh yes, it's a revelation revolution because My children are finally going to understand that it is not something that they are looking for, it is not something that they have to wait to have. But I have already made My deposits on the inside of you. It is your inheritance. I have made you to be kings and priests in My Kingdom already. You are containers of My glory. The only problem that we have is the places where you haven't surrendered. For My glory is available to anyone who would dare to ask and be willing to sacrifice. You must walk away from the things that have held you back before, on purpose, and draw the line, never to return. You must keep your eyes fixed on the road that is before you and not be pulled away by the circumstances or the plots of the enemy.

But My people who are called by My name, they will see by the eyes of the Spirit, they will hear what the Spirit has to say. They will see it happen before it happens and then there will be no fear. For all fear will be washed away with the truth that is from the higher place of thinking. For as you

allow My mind to become your mind, as you have the mind of Christ, there is no room for fear. There is no room for doubt. There is no room for circumstantial evidence.

You will no longer see people that are sick; you will see the remedy for their sickness. You will no longer see the need, but you will see the provision that I have provided to come into their life. You will no longer see the lack, but you will see the abundance. You will no longer hold back those words that I have hidden on the inside of you, but they will roar through you like rivers of living waters. And it will cause those that are thirsty to be filled to overflowing.

You're running into My streams. You're beginning to understand. You're beginning to go deeper into the depths of My love. And therein lie the secrets that you've been waiting for. For as you hide under the shadow of My wings, as you understand that I am all those things that I've promised, and that I am in you, you will no longer doubt your ability to do the things that I told you you could do.

A revelation, a revolution. What is going to take place on the earth is going to take an army of people. An army that is not looking at the natural, not being held back by that which is seen, but is looking beyond those places and seeing the potential of what can be, and bringing to pass. Oh it will be a wonderful day. To see My army marching the way that they were always called to march. In unity -- with one voice, and one purpose. No longer worrying about the way that they are presented to others, or what people think or say, but only hearing My voice and not caring about that. For My voice thunders with many waters. It will clear out all of the debris and it will set you free to set others free. And there will be a joining together. That is why it is so important that you understand, that you value, that you honor those that have known this way before. You will not be the first; you will not be the last. But you will be those that are of the utmost importance for this time frame of history.

For I am coming back for a Bride without spot or wrinkle and you will help iron it out. You will lay the path of righteousness before others that they may walk in it. You will dive into the deep so that they will follow you, for someone always has to lead. And My heart's cry is crying out: Who will be the leaders of the movement of the latter days? Who will be a part and sign up to be a part of the army that I am raising up to release and to roar and to have fire and glory?

For don't you know that it is oh so easy, all you have to do is surrender. All you have to do is set aside those things, to put Me first in every place of your heart. For don't you know I am tired of vying for your attention. Don't you know that I'm looking past all of the things, and I see My glory deposited inside of you, and I so want you to value it. I so want you to respond properly to it, I want you to let it come forth. I want you to let go of all of the things that have hindered it and held you back. I want the river to flow once again and the fountain of My glory to be seen.

Man tries to build their own Kingdom. They focus on themselves, they focus on their need, they focus on their own abilities. And they get caught up in thinking they could actually do this. But the only reason you can do anything is because you're Mine. Because of the deposits that I've laid on the inside of you. Because what I've already promised you is true. I've laid treasures inside each one. And this is the season that I will walk amongst My treasures. And I will pick them up and I will call them Mine again. My treasures. I'll pour more of Me inside of you, if you'll just let the glory out. It will be an intense time. A time where My fire will burn on the inside. A time where it will get rid of all the dross. A time where all of the things that have been eating at you will have no more power because you are letting the glory out from the inside.

Jesus was the firstborn among the brethren, carrying My glory to the earth. But have you not been born-again? Do you not already have the glory? **You are crying out for the ability to see it but I am crying out for you to be it.** A revelation is necessary. A revelation that comes by My Spirit, not by the flesh. The flesh will burn away, and My Spirit will rise within. And My glory will be known and seen and you'll begin to wonder why: How can my hands do these things? How can my feet go those places? How can I understand the things I've never understood before? And yes you will. You will see your hands be laid on people and they will recover. You will begin to speak with authority

and you will see the winds calm. You will see things rise and fall at your command because you're beginning to understand who you really are now: sons and daughters of the Most High God.

I am the Most High God.

I am the Most High God.

I am the MOST HIGH GOD.

Just let Me have My position in your life, in your thinking, in your walking, in your doing, in your portraying. I am the MOST HIGH GOD. If I am the MOST HIGH GOD in your life, then what is the hindrance? There will be no more hindrances for I am THE MOST HIGH GOD. I am high enough that it will wash away your sin, it will wash away your mindsets, it will wash away all of your frustration, it will wash away your fears, it will wash away your anger, it will wash away your need. I am the MOST HIGH GOD. And you are My people. You are the ones that I am looking to. I'm looking to you. I am opening up eyes that are hungry to see. Oh, you're going to see. It will be a time for the seers to come forth like never before. The people who don't even know, the new people. And the old people, the ones that are seasoned by the flavoring of My Spirit. The ones that have spent time already, that have seen all of the great men and women that have gone before them. That honor them and have partaken of their blessing and of their anointing and of their cup. And those that are brand new in Me, just babes, but dare to believe. For don't you know that the last shall be first, and the first shall be last?

Oh, I am having a good time watching my people come into their own, watching for this time of history to come to pass. For I am anxious for My Bride. I am preparing the table and soon I will cry to you to come home. But in the meantime, I want you to know who you are on earth. You are those that have been called to take dominion. You are those that are called to pull down, to root out, to destroy the works of the enemy. You are called to replant and to rebuild and to restructure.

I am going to invade your thought life with ideas that are from heaven. I am going to give you the ability to have wealth if you dare open your eyes. I am going to speak things into your spirit that are going to set you free from the bondages of slavery. But I need you to be a servant. I need you to have a mindset of humility. I need you to have the assurance that as you walk into the things that I have for you, the way to stay pure is to stay a servant. The way to stay big and to stay kingly and to stay in your proper position is to humble yourself at all times. To recognize that it is always Me that gets the glory although I have deposited it in you.

For you see if we would just work together this thing would all work out. For you give Me all the praise and the honor and the glory and I'll pour out more upon you and in you and through you. All I ask for is the acknowledgement. Because I am the MOST HIGH GOD. Now when I said I would not share my glory with another, that's what I mean. I want you to recognize that it all comes from Me. But I didn't withhold My glory from you, I put it inside of you with Jesus. I did it on purpose. I did it so that you could portray Me properly. And so the glory is coming, and the glory is here, and the glory is now, and the glory is in you. What will you do with it? What will you do with My glory?

Build the Kingdom. Build the Kingdom. I put it in you to build. I put it in you to lay foundations. I put it in you to raise up structures. See it, and be it.

See it!

See it!

See it!

And join yourself to it. If you can see it, if you can trust Me, you can build it. What does My Kingdom look like? It looks like a wonderful place full of satisfied people that have been healed and delivered and set free. Who are walking in fullness of who I am. They understand and they are walking and they are so glad that they obeyed. My Kingdom contains people who know how to praise Me. They know how to worship and honor Me. They know how to keep Me first in their life. My Kingdom is being built by those people. My Kingdom is a people who are without stress and

without worry because their confidence and their trust has already been discovered inside of Me. There is nothing that I will withhold from you if you just walk uprightly. Now you don't have to walk it alone. I told you I will be with you every step of the way. I will never ask you to do anything that I haven't already provided for you. I won't ask you to go anywhere I haven't already walked. I will ask you to do the impossible as you take hold of My hand, because with Me all things are possible. All I want you to do is join Me. All I want you to do is acknowledge Me as the MOST HIGH GOD. Be a part of My Kingdom. Build it.

Can you see it yet? Are you looking through your spirit eyes? I am in this place. I am opening up your spirit eyes. I am allowing you to see your future if you just look a little harder. What does your life look like in the Kingdom? What are you doing in the Kingdom? What deposits have I made inside of you already? What are you going to be doing with them? Look a little harder and you will see yourself on the road, on the pathway. It is a righteous road, it is a narrow road, but if you look you can see yourself there. Oh, it's a "worth it" road. It is a "worth it" road! It is where My glory is, it's where My power is, it's where My purity is, it's where My holiness is, it's where My freedom is, it's where My peace is, it's where My comfort is. Just choose it.

Do you see yourself? Can you see yourself walking righteously? Can you see yourself free from sin? Can you see yourself making a difference? Can you see yourself reaching your hands out to meet the needs of others? Can you see yourself in abundance? Look again! You don't have to do it; you just have to be it. You don't have to make it happen, I'll make it happen. Just look with spirit eyes. Just hear My voice and obey Me. The smallest details will bring about the biggest abundance. I am training you to hear Me in the small things. If you obey Me in the big things, it will bring you to a place where you will obey Me even in the smallest requests of My heart. And the smallest requests of My heart will bring you the biggest abundance of your life.

You see, it is a time for you to see Me as THE MOST HIGH GOD. And to see Jesus as the King of Kings. And to see yourself as partakers of all of that. Be witnesses for Me. Witness who I am with your eyes. See it with spirit eyes and then tell them, just tell them what you see. When you see Me in My fullness, when you see Me in My glory, when you understand My very nature and My character, when you are so well acquainted with Me that you can fully trust Me completely because you've abandoned yourself to My care and I've proven Myself strong, they too will see Me. They will see Me through you. The way it was always been meant to be. And the blind will see. And the mute will speak. And the dead will be raised. And the poor will be fed.

Separate yourself.
Separate yourself.
Separate yourself.

I have given you your will. You have to will it because I gave you that opportunity. But when your will aligns with Mine, there will be a release, there will be a happening. There will be a revolution. It's happening inside of you first and then it will happen on the outside. You'll understand things you've never understood. You will read My Word and it will be alive to you because it will be you and Me alone. The revelations from heaven I am not withholding any longer. I am pouring out an abundance of understanding, of wisdom. It will run all through the land and those who dare to drink of it will bring forth an ocean of love to the earth. An ocean of love. A tsunami of My greatness because I am THE MOST HIGH GOD.
