

2010 Prophetic Word - Being the Church!

Even as you hear the languages cry out, I am raising a voice, I am raising a voice among My people. In 2010 the church will arise again. Arise out of its stupor. Arise out of the places where it's been in hiding. For I have swung open the gates that no man can shut. And My church is beginning to **walk through the gates and take their position.**

You are out of transition and you are in position now - where I am securing you for the greatest time in history. For My finger is on the page. And the page is turning and they will look back at this time in history and they will talk about what occurred beginning in 2010. But only you and I will know that it has been happening during the transition as you sought Me, as you prayed, as you cried out for the change and the shifting to take place for I have sent forth the angels and they are doing their work. And they have touched and they have moved **amongst you even now.**

And now the sons of men will begin to understand that they are **also the sons of God.** And they will begin to show forth that which has already been imparted to them - **power, truth, effectiveness, completeness, ability, gifts - changing the hearts of men.** For the change that you will begin to see is [that] they will not only just remain silent, but they will also no longer withhold their **hand from helping the poor or the helpless or the needy.** For I have dropped inside a compulsion, a compulsion that compels them into the streets, and into the darkness as never before.

Oh, I have always had a remnant, I will always have a remnant, but now the

remnant is coming together. And now there will be a working together as never before, a **networking** that was impossible until this time. For I have caused a transition to happen that has caused **new abilities to come forth.** For even those ideas that have been dropped into men are now being realized as My voice can be heard 24/7, as you can turn on the voice of the Lord God Almighty. Technology has increased and so has the ability for the world to hear the truth.

You can see those who are praising, you can see those who are worshiping, you can see the true believers. You can hear the prayers of the saints as they join in unity with one voice, and one heart and one purpose. And I am causing those **seeds that have been sown into the air to now join forces with heaven and the glory will begin to rain down back upon the earth.** It is bringing down the dew of heaven and it is **bringing forth the harvest** that you have longed for.

No longer will it be hard to win the lost, for now it is the **season for the lost to be found.** And now you will hear My voice as never before -- for reason, for purpose, for souls. And all of the training and all of the inner hearing and all of the inner healing and all of the things that I have trained you with, and tools that I have given you will now be realized with the purpose that I have given them - to save those that are lost, to go into the darkness and bring the light, the hope, and the truth. And there will be a turning, there will be **a radical turning.** Even the church will come alive again - alive in a way that they have not been able to say before or realize. They will arise and they will proclaim Me as never before, for **in the darkness, My**

church shines brightest. And yes, there will be darkness that is on the earth, and it will increase, as it is written. But in the increase of darkness, there is also a **flood of glory.** A flood that is coming out of you, a flood that is coming as you join as one, a flood that as those that are called by My name realize who they are and speak it out with **majesty and might as kings and as priests, of those that have authority, who cause the seas to split, and the earth to shatter, and the skies to thunder with truth and with purity.** For now My voice will be heard from those who have remained righteous, by those that have chosen truth, by those that have walked in purity, for those that have been unbendable according to My written word. Now you will begin to **feel the authority mantle dropping upon your shoulder as you rise into positioning.** For now you will no longer read about it, you will be it.

I have longed for this day, I have longed for the time when My church would be ready, when there would be **enough cries from My people that would enable Me to pour out that which I have been longing for.** For I have been waiting for this day, I have been longing for this people. I've been **watching for the passion, I've been watching for those who would be relentless in their pursuit.** I've been waiting for the cries, I've been waiting for the groans. I've been waiting for those who were willing to give birth on the floor to that which is going to happen now out in the open. For behind the doors I have heard the groan, I have heard the intercession, I have heard the cries for the lost, I have heard "send me".

And so now I will, and I will **take My church and I will begin to take you and deposit you.** I will begin to take the jewels and the diamonds and the truths

that I have put on the inside of you and I will begin to release them out. Not only as you prophesy but as you physically go, as you touch, as you turn the hearts of men by touching My heart first. And you will hear the word of the Lord coming to you, you will hear the word of the Lord as you speak it out of your mouth and you see My hand reach through and touch their hearts and turn even the coldest and the hardest and the darkest sinner to My light. Oh, you will see it because now you're ready to be it.

I told you to look, I told you to ask, and yes, you can have **all of Me now,** all of Me now, all of Me will be seen, now all of My glory, **now all of My power,** now all of My **majesty,** as I walk through the streets with you as you open up your door to the poor, as you open up your wallets to the hungry, as you open up your mouth with truth. **Multitudes,** multitudes in the valley of decision, but they're coming, they're coming, they're coming into the truth, they're coming into the place of being able to hear, for your cries have opened deaf ears. Your intercession has taken scales off of eyes. And now you're positioned, ruling and reigning with Me on the earth, as it should be, as I've always intended it to be.

The terrorists are being terrorized. The terrorists are being terrorized by a church, by a people, by those of relentless prayer, by those who are fearless. For they only can rule by fear. You, My church - **the fearless ones - the ones that have proven that no matter what Satan brings, you will still praise Me.** They are terrorized by such an act. They were sure they would win, they were sure that they could cause you to tremble, but now that My church is standing strong and firm, now that My voice is being raised in the face of

the terror it is shifting and it is turning the fear back upon the enemy's camp and they are in derision wondering what they will do next.

See yourself as the victorious church because that is how I see you. That is how I've built you. **I have not built you for anything less than victory.** So victory I declare and victory I decree. Now come into agreement with Me. You are My people - victorious, triumphant - you do not have to rely upon your ability, you never have. You only rely upon mine. Is there anything too difficult for Me? And so I will turn things around for you. As you believe, as you come out of doubt and back into trust. You see, **trust is where faith is born.** When you trust Me wholeheartedly because of relationship, your faith is automatically grown; **you don't have to work at it if you just know Me.** If you know Me you can trust Me, so know Me some more - you can have all of Me. You can have all of Me. I've made Myself available. You cried out, and I answered. You asked for more of Me, and I said yes.

And so the truths of the ancient pasts will be revealed to those who are hungry, to those who are willing to dig deeper yet still, to those who will look into My word and look for the treasures that have been hidden for the ages. **For now is the time for the revelation to be revealed of the ancient truths that will now become present truths. And you will take them from eternity past and you will bring them into eternity present and you will speak them into eternity future making a way for the generations.**

There will be those that will grab a hold of those that are young. They will **mentor and disciple them as never before.** You will see the transition begin to occur, as

the young ones begin to be as wise as the old ones. There will be an absolute that will be put upon you that you will not be able to contain what I've entrusted into your care unless you are pouring it into someone else, **mentoring will come to a new level of discipleship in order.**

Now is the time that you are going to see the **Timothy's**, now is the time that the Paul's will have to take hold, they will have to raise up, they will have to impart, and the **Timothy's will rise all across the world, and they will begin to be assigned to regions.** They will be assigned to cities, they will be assigned to places, and it will rock the world. Like Titus, who was sent, placed in Crete, **to structure, to build, to oversee, to spread the good news.** So have I sent you, for this reason I have placed you in Cooper City, for this reason I have placed you in Africa, for this reason I have placed you in Belize, for this reason I have placed you in Asia, I have placed you in Europe, I have placed you in South America, I have placed you. There will be a sending that is mandatory - and you won't feel like you're able to, that's why you're ready.

All the seeds that have been sown will now come back, but they will come back with different purpose, they will come back with a different assignment. You've been believing Me, but you've been believing for Me to make your life easier. But I declare to you tonight that **if you will believe me to make someone else's life easier, then I will give you more than enough and your life will be easier too.** But the truth in giving and then receiving still stands. There will be a release now, a release, a release, a release, a release that **My church will not be able to hold on to the things which come in. It will come in and it will go out, it will come in**

and it will go out, it will come in and go out because My church is being set now in position to do that which I have called it to do and as the church, as you touch those that have been on My heart and change the lives of those that have cried out to Me. Oh, you'll see them in the night. You'll hear their cries, you'll know exactly where to give, you'll know how much to give and you'll believe Me for it. And I'll give it to you because I can get it through you.

Earmark it, write down where you're putting it, tell Me what you'll do with it and see how fast I will answer. I've just been waiting, I've been waiting for a people who will say "give it to Me and I'll assign it there," "give it to Me and I'll send it there," "give it to Me and I'll see that this gets done, that which has been on your heart." **Raise your level of faith for a particular group and I will raise the funds and release them to you. Begin to declare who I am in the situation. Go back to the declarations of faith. Go back to the place of not doubting Me any longer. Go back to simple truth. I Am Who I said I Am -Provider, Healer, more than enough, all sufficient One, the One who cares for you, the Great Shepherd, your Husband, your Friend, your Guide, the Friend that sticks closer than a brother, the Mighty Judge, the One Who will defend you, your Rock, your Fortress, your Hiding Place. I still Am Who I said I Am.**

All the things that Satan is planning, keep being thwarted, but it is prayer that has raised up the shield. **It is prayer that has kept America intact.** There are many that say prayer has ceased, but I have heard the prayers of many over this nation. **Even as the cries continue, I will protect, I will shine the light of where you are to go. I**

will show you the path that is safe. And I will open up the doors in other places for you to walk through.

There is a shift that has taken place in the heavenly realm, there is a pathway that has opened up into the realm of the spirit that is an ancient pathway for you to walk through. **I am calling you to go up higher and to see the truths of what takes place, to grab a hold of those truths and to bring them down and proclaim them out.** It won't be your imagination, it won't be things you've heard from somewhere else. It will be walking up into the heavenly realm and seeing what you are seeing, and hearing what you can hear, and then bringing forth those truths, and bringing it out with revelation and with power. **They will be accompanied by signs and wonders and miracles, but do not look for signs and wonders and miracles, look for Me.** It is in My face, it is in My countenance, it is in the fierceness of My eyes, it is in My presence that you get filled up and those things will just happen. **Don't be looking for a name, don't be looking for a title, don't be looking for fame, and don't be looking to be free of things where I have placed you for now.**

Some of you have said so many times to Me, "if only, if only, if only". **Do not box Me into an "if only" moment.** For I have strategies for your life that you need to walk out. In the strategy of where you are **rejoice, rejoice, and again I say rejoice, because in the midst of the circumstance that you don't understand, there is a rumble going on.** There are those that need to hear the truth and see that somebody in the midst of where you are still praises the One and only true God. And then the release comes. And then the release comes. And then the release

comes. You're trying to get free before there is a release. Look around, who are you there for, what are you there for? The hold up is not Me, it's you. **There's a soul, there's a soul right in front of you. See it. Become the church, disciple.**

There's an awareness of who you are in Me. It's the answer to My prayer to the Father in John 17. I have made you one like the Father and I are one. There will be one in agreement, singly and successively. There will be a oneness that will come to the body of Christ like never before, an awareness, a oneness, a one voice, a community. I am creating a community, a linking of arms. I am causing the army to come together. It will cross enemy lines, it will cross denominations. I am making you one. There can no longer be fortresses, there can be no fences, no judgment, I am forcing you out of your hiding places into interaction because that is My heart. Uncomfortable as it is, you will grow to see the power in it; you will grow to love it because I love it. I love seeing walls come down, I love changing minds. I love melting people into one. And then you will see the oneness in 2010 that will come to the community as you reach out one to one. I'm sending you one to one to win them.

That's why discipleship is important, for there is no other way but to befriend them and be there for them. Reach out. Somebody's been waiting for you. Somebody's waiting for your gift, someone's waiting for your voice, for your touch, for your hug, for the truth that I've placed on the inside. Someone's waiting for the power that I've invested on the inside of you. Someone's going to pull it out of you. There will be a day where the sickness

and disease cries out in front of you and the Me inside replies, "be free!" The glory is already there, the power is already there, now walk in it.

Be the sizeable church. Huge - billions - one heart, one voice, and then that day, that day, that day when all the languages come up before My throne, as one voice saying, "Come, Lord Jesus, come! Come, Lord Jesus, come! Come, Lord Jesus, come!" And I will hear from My heaven, and I will come! And I will set up that which I have planned. I will put things in proper order and you will begin to see exactly why I structured things the way I have as you rule and reign with Me for a thousand years.

Are you ready to be My church? Are you ready to face whatever is necessary? Are you ready to praise Me? Are you ready to take that which the enemy has used against you and pull back the bow? Are you ready to shoot into your future? How far will you go? How far will you trust Me? How far will you take that which the enemy has used against you and use it as a place to thrust you forward? How far back will you pull before you let go? Release! Release! Release! The future is yours! The future is yours! The future, the future is yours! It's up to you - My church! My church! The future, the future, it's yours! It's yours, it's yours!

Pastor Dawn René McCann

Ryan:

I make all things new, I make all things new. **It is a new age, it's a new era. There's a chapter in your life that's been closed. And I declare and I sing over you tonight that it is a new day for you.** As the church, as My bride, as My people, as My sons and daughters. **There is no limit to what I can do through you. There is no limit to what I can do in you. I am removing those restraints. I'm removing those bonds that have held you back from what I've called you into - today, this season, this hour, this moment. I'm sealing it with My flame. Sealing it with My flame.** Those things that have held you back that you've been unable to set yourself free from, that is why I came, that is why I gave My life. **I am your deliverer, I am your redeemer, I am your healer, I am your peace, I am your strength, I am your joy, I am your substance, I am your very life.** And I'm freeing you from that, the need to do it on your own. I am bringing you into this new day, I am bringing you into this new hour, I've spoken it, **I'm carrying you through with My word.**

I've sent forth My word, **I've sent forth My word to your need, to your situation, to your mind, to your body, to your spirit.** I have sent forth My word. Is My word not like a hammer, is My word not like a fire that burns? **My word upholds the very heavens. My word can uphold you. My word created everything that exists. My**

word can create in you a new heart, a new mind, My word can create open doors for you where there seems to be no way. **It's time to see Me as I am. It's time to seek Me like you've never sought Me before. Oh, I want to reveal myself to you in ways that you've never imagined. I truly Am here. All of Me is readily available. All of Me. When My hands were nailed to that cross, they were nailed wide open. They're still open today. They will always be open.**

Charlie:

Eat what you find in this book, eat this scroll, **eat this 2010 word, eat every bit of it, ingest it, then go and speak to the house of Israel, go and speak to your house, speak to your city, speak to your workplace.**

Ezekiel 3.

The harvest is ripe, go and ingest and speak it forth and you will see the harvest, you will see the ripeness, you will see, it won't matter what they look like, go and be led by Me and I will put the words in your mouth you will speak it and it will be power and they will come and fall down and fall at My feet before Me, and they will call out to Me and say, "How do I know your God, how do I know, how do I see, how do I understand?" and they will fall before your feet so that you will be able to lead them to Me.
