Prophetic Word – August 17, 2008
Pastor Dawn McCann

Raised up a generation that is beginning to see by the eyes of the Spirit. That will get out of their fifth sense and get in the area of the sixth sense where you walk with Me, where you talk with Me, and where you rule and reign with Me. For I have called you forth for such a time as this. And if you will open up your eyes you will see and understand and be aware of, just like the prophet of old, that you are not alone. For those that are with you are much more than those that are against you! For even today as you war, even today as you take your place of authority, even today as you stand in dominion thinking, you are opening up the portals of heaven. You are releasing back through the gates the heavenly hosts that will join you in rank; that will war at your side; that will reach out and grab a hold of.

For I am not going to have a people that will not fulfill purpose; that will not understand destiny. *For I have placed a seed of destiny inside each one of you.* And now is the time for multiplication. Now is the time for reproduction. And even as you begin to speak it out, even as you begin to speak the truth, even as you begin to agree with the word that is on the inside of you - the knowledge of understanding that I have dropped on the inside of you, the purpose and the destiny that you now embrace - as you speak it out, it will be a force of life that will activate those dead seed that are lying within them. For they have My seed, they have My destiny, they have My purpose on the inside of them. But they need awakened; their heart needs to be awakened. By love, by truth, by life and you are the carriers of those things.

I have placed you here on purpose. I have purpose in your purpose; I have ordained you; I have commissioned you; I have put the fierceness upon you. For you are warriors in this land to take the territory for My name. And the Lord of Host is with you. The Lord of Host will lead you. The Lord of Host is your Lord, your God, your Redeemer, your Salvation. The Lord of Host is yours, known by name, known by spirit, known by the understanding of the Spirit. So come into agreement with Me, for I am taking back the land. My glory will be seen upon this Earth. **My glory will be seen upon this Earth.** Do not look around. Do not be distressed by what you hear. Do not be dismayed by those who do not stay on track, but keep your eyes focused on Me and you will go forward. You will have the fruit. You will have your harvest. For I the Lord have decreed it. I have declared it, and it is so. So shall it be. So shall it be! So it is. So it is!

Response in Prayer:

Father God we do not take that lightly, God. We know that we are carrying around on the inside of us Your glory. We are carrying around Your purpose. We are carrying around Your destinies for them, Lord. *We are activators of the seed and the purposes of God.* Lord, we thank You that we are a people that will not back up or shut up. But we are a people, God, that will sound forth trumpet in the land. That will bring forth Your light in the darkness. That will execute judgment against our enemies, God. And will bring forth the heavenly realm to earth, God. We thank You that we are not alone. We see it in the Spirit. We know it for truth. We are not ill equipped, but we have the weapons of our warfare in hand, God. And *we are well able... we are well able* to take this country. *We are well able* to take this country. Lord we get out of our own personal situations; we get out of our own personal circumstances and we focus on the higher things. We focus on eternal things. For soon, Lord, You will return and those things that we have looked upon will burn up like wood, hay, and stubble if we have not kept our eyes fixed on the things of the Spirit that will last. Lord, we are gathering together into the storehouse: souls saved, lives changed, miraculous happening, destinies coming forth. Lord, the change of Earth as it trembles under the sound of heaven. Under the dictate of Your voice. Under obedience to Your orders, God. We are a people of order, under order of the King. Therefore, we will take our position on the Earth, without apology. Lord, we will lay the foundation necessary; that it will be stable and strong for those who walk upon it. We thank You God that we are not able, but *we are well able. We are well able.* We are well equip for such a time as this. For such a time as this. For such a time as this!
