

2016 NEW YEAR'S EVE PROPHECY

RELEASE TO INCREASE

This is the season that My Church is rising into the new—a new fresh breath, a new life, a fresh revelation and a fresh way of doing things.

Because My people are coming nearer to Me, they're coming nearer with their hearts and their attention. They are beginning to awaken with a new awareness of My involvement in their life.

And as they do, they are arising with PRAISE, with gratefulness of Who I am not just what I will do for them. They are moving Me to invade their lives with new wine. They will drink of Me and they will know that I am good.

The Church will begin to show My goodness by their actions, because My goodness is overtaking them and they too, will be good.

They will begin to operate in the character that brings them favor and enables them to bring good news. Part of the good news for them, is that this will also make them bountiful and bring them into their own land.

The good news is about to pour out, into and through My people.

You will be able to move, free from injury and disease and you will drive back the enemy's strongholds, and you will come back up on your feet.

There are cities and even nations that are going to be shaken. It will start with the few that have the fire and the wine, the fire and the wine that will be poured out. There will be increase in worship, and the increase will bring My presence.

My presence will always defeat the strongholds of the enemy.

When you release your praise to Me, I release the advantage to you. You are victorious. You are My bride. You are the ones I've been waiting for. You are the ones who are being equipped with the new wine. You will go forth and you will spill out and you will draw them into My presence. And they will receive what you have to say because now you are saying it from experience with Me.

For now you are presenting Me through you, through your words, through your actions, and through your deeds. I will increase an awareness of Who I am and where I am, and where I want you to go and who I want you to pour upon as I highlight them by My Spirit and you will see them. You will be drawn to them by compassion. They will be highlighted in the heavenlies, and they will be highlighted on the earth. You will release that which I have poured into you.

I release insight, I release weapons, I release heavenly warriors to join you.

My people are going back to honoring Me with their lives, their actions. And as they release honor, I will release an awareness of how powerful they can be when they operate with Me.

There will be gatherings, both great and small, of those who want nothing more than to touch My heart and reach into the mysteries that I have prepared for this season, for this age and this people.

There will be voices rising, saying "Pray again, arise again, go again. Pray again, arise again, go again."

My benevolence will increase. You will be aware, and you will be those who have kind and generous hearts. It will start something; it has already started. And then there will be a

heavenly organization to do good things for other people. You will not only give them what they need to supply for them in the natural, but you will fill them up to the overflow of what you have gained in the spirit and Who I am.

You're going to portray a difference—high moral standards—favor, loyalty, faithfulness and good behavior, because what I am pouring out won't be contained in old wineskins. And what I have is so good, the old won't even be a consideration.

What you've been singing, "More of You and less of me" ... it is the decree of the hour and the decree of the time. Because My Church is desperate now. There are things coming into the atmosphere that must be broken down. But as My Church rises with their praise, the enemy will have to flee again and again.

My Church will know how to be the enterprise. They will know how to take that which is in their hand and bring the multiplication and increase needed for those who are in trouble and those who are weary and those who have nothing.

For the same Spirit who came upon the early Church is coming upon the latter Church. My Spirit has not changed. My decision to pour through you has not changed. The same power and the same ability and the same miracles are being released into your midst as you call upon My name.

As you rise boldly and proclaim and release the truth, they will come to know the truth and the truth will set them free. There will be increase and there will be multiplication. Joy will arise in your heart because now you're beginning to operate in those things that have eternal value that you can count on, that you can believe in, that you can see throughout eternity.

Those things that became the foundation of My Church, are returning to you because you are returning to Me. The land that I have

given to you will be the land of promise, the land that you have dreamed of, those things that you have desired to do that were birthed by Me when you were at My feet.

As you sit and you gaze upon Me, and as you worship Me, I will release new thinking to you. I will release new abilities to you, and you will find yourself operating in a different way than you've ever operated before, and you will wonder where this love came from.

How can I be so kind when they are so mean? How can I see past that which is so obvious? And you will realize that it has been birthed in the spirit, and as you came and looked into My eyes and as you sank down deep into My Spirit, and I poured out My love not only upon you, but in you. And you will know there's been a change, because the change will start within and will reach out.

My Church is to operate in their proper authority. Their worth will come from Me. The recognition that they are carriers of the genuine will heal years of pain caused by the false, insincere representation of Me in the past.

God is fitting His people with new wineskins. The way we have battled in the past is an old model.

It is time for us to drink the new wine and to allow the Holy Spirit to stretch us out of our comfort zone and put on the new wineskin. If we hold onto the old, we won't be able to contain all that He has planned for us. And our joy will not be complete.

It will be deep, it will be genuine, it will be pure love, and it will come to those whom I have impacted by impartation in My presence.

When I hold them in My arms, past their short comings and their evil ways, they will go and hold those in their arms with Me. Together, the things that have held them back will melt.

They will melt away at their feet, just like they melted away at Mine.

Then there's going to be joy released. The joy is released as you obey Me. The joy is released as you find out who you really are in Me. There is no better joy than spreading My love, changing a life, changing your viewpoint and changing how you see things and the way that you act and respond that encourages others to do the same.

Because there are more of My people who are coming to this place of desperation, there is a greater thing that is coming, greater than the past revivals, the past awakenings, greater than all of the things that you've read about and heard about. There are more of My people who are coming to this place, crying out "All I want is more of You." As they cry to Me, I release more so they can go and be the more.

Now is the time to spread the joy of knowing My great love and care for My children. All of them. The walls of separation will come down ... by love ... and by love taking action. In taking action you will cause an alteration of the forces that are at work in the atmosphere.

Your expressions will change with new attitudes and new expressions of displaying Me. You will begin to enforce your rights against the enemy because of the new-found confidence you have found in Me.

My will is going to be recognized on earth as it is in Heaven. Because it will be orchestrated by the Spirit. Vessels used by the Master's hand. Orchestrated by the Spirit.

I hear a desperate cry coming from My people to simply know Me more. They will no longer question what it will cost them or what they will need to do or what they will be required to do, because they won't care.

Their eyes are fixed on Me and My beauty and My love and My generosity in sharing the most

valuable of things with them. They're looking for the excess, looking for Me to lavish My love on the broken and the hurting and the lost. And I'll do it. I'll do it for them, and I'll do it with you.

My disciples were radical worshippers, though they didn't hold a worship service. They just worshipped Me by following My voice. By seeking My face.

There they got empowered, and did something with their empowerment. They worshiped Me by speaking My truths. They worshiped Me by reaching out to the needy, the broken, the ones that were being destroyed by disease. And they worshiped Me by obeying the mandates that I gave them.

They worshipped Me by living by faith and staying connected to My heart. They worshipped Me by staying connected to My will, staying so close they could hear My whispers.

They obeyed Me **in the moment**. And as they did, I moved with them and through them and proved Myself strong in their midst.

They lived lives of that praise, which brought the increase and that praise brought the multiplication.

So the most broken of hearts and the most disappointed people are just one step away from a radical worshiper entering their atmosphere with the right release of the right stone.

That is all that is needed to bring down the stronghold of the enemy and to set a person free, set a people free - new model.

Radical worshipers, extreme worshipers, they will be great in degree. They're going to go to exaggerated lengths, they're exceeding the ordinary, the usual, and the expected.

They're going to be the most advanced in every area, and they will bring My presence

into every activity, indoor and outdoor, because they're involved in extreme missions. They're going to break down walls in every place of society. They're going to invade the darkness and shine the light where no one said it could be done.

They're the ones who have prayed and been on their knees and interceded and let My Spirit speak through them. They're the ones that have seen it already happen in the spirit and so they are bold and they are strong and they are giving and they are going.

For the Church is not comprised of those within the walls, but the Church is comprised of those within My heart. You'll begin to see them too just like I do. And as I intercede for you and as I intercede for them, we will become one.

You will walk through doors, into the hallways of life, and you will bang upon those places that need to be opened up that have been closed for so long. For those who are in chains and those who are in prison and those who are shackled by cares, and are disheartened and discouraged, are in a place where they feel they can never come out.

You will proclaim to them Who I am and the walls are falling down. For it will be with one voice, as My Church arises and as they release the sound that is coming into agreement with Heaven, there will be nothing impossible to them and those people will be free.

How many will you bring? How many will you reach to, how many will you let out of prison as you've been told to, how late will you pray? How high will you praise? How low will you bow in humility? How often will you come to My feet? How often will you spread the good news of Who I am?

As you release what you so closely hold tight to in this world, as you exchange it to hold tight to Me, I will bring the increase in every area that you have dreamed of. It will be simple and it will be easy. There will be no

more struggle in it. Realize what is happening around you. See the times that you're living in and see the faces of those who are waiting on you.

You must release your desperation to Me and I will increase abundant kindness.

You're going out, you're going to the outermost, you're going to the remotest places, and you're going to the nearest places. You're going to stand in your position, you're going to go beyond what you've done before, and you will have testimonies, and testimonies, and testify of Who I am and what I've done and where you've been and what we've been able to do together.

Joy is spreading, the good news is spreading, the fruit is spreading, the land is increasing. The land is increasing. There is increase in ability. There is increase in your revelation. There is increase in the reality of what My Word has to say.

You will learn how to obey Me in the moment. For the moment is so important. My Spirit will lead you and as you walk, you will see those that are highlighted. You will move. When I say move, move. And as you obey Me in the moment, the moment becomes clear and the moment becomes important, and the moment becomes the place you cannot go past. In the moment with Me—that is when miracles happen.

So many have cried out, "Let me be used to bring freedom to those in pain, those who are in bondage." My answer to you is just follow Me and move in the moment. I displayed it for you when I was on the earth. I healed them, every one. I did that which My Father told Me to do. I only did that which He told Me to do in the moment and then the answers came, and then the miracles came, and then the healings came, and then the salvations came. And then they came from all of the places to hear the truth. And so it shall be again, and it will happen through you. And it will be happening all over the world as My

Church unites in their desire to please My heart above all things.

There will be another increase as the Body begins to obey **in the moment**. There will be increments and influence that will reach to the other's obedience.

Divine connections will happen as someone who's obeying **in the moment** will reach to another place where another person is obeying **in the moment** until there is a flood of obedience.

It will wash over the dryness and the brokenness and the thievery. It will bring things back to life. That's how the dry bones are going to live again. This is a significant time in history.

It's going to be extremely important to move **in the moment**. It's a very short period of time, a particular time, a precise point in time, and it is the present time.

It's a time of influence, a time of excellence, a time of effect, a time of action. As you move in My pre-destined moments, then you'll see things suddenly turn and make way for great events.

It's going to tip the scales from one kingdom to the other because of the season.

There will be particular occasions where I will step into the scene to significantly show My greatness and My ability through My people to show the puniness of the enemy, and the ability of My faithful believers.

More faith will come immediately, on the spot. **In the moment**. If you will step up and step out, you will see that every enemy is just one stone-throw away from being defeated.

You just need to release the stone in the right moment, as directed by the King of kings.

And then suddenly you'll feel the weightiness of crowns of My glory and presence upon your

head, as you walk as sons and daughters of the Most High God.

The giants in the land will no longer be the enemy's giants. They're going to be the giants of My Kingdom, they're going to wield their strength, and take territories.

They're going to have the victory because God has pre-ordained it. They're taking their place. Spiritual significance. There is spiritual significance. The enemy's giants are just a façade. They appear to be big, but they're no match for My strength and My ability.

My Spirit is blowing My faithful ones into the giants of the land. I am breathing My breath into them up until they are so large, that they already are giants. It's no façade. No more fake. They are the ones with the power, the ability.

They will have effortless victory, as I am the King of their efforts and I will send them heavenly reinforcements. Get ready to see glorious end results. It's happening. It's not going to happen. It is happening.

My people are tired; people all over are looking for real. They're looking for sincere. They're looking for someone who will show forth that which goes all the way through them, instead of just sometimes.

For those who are called by My name, those who call themselves Christians, will now honor Me as their Christ. And all that My name brings: Deliverer, Savior, Provider, more than enough, the Beginning, the End, the Fortress that protects you. Everything I am will become everything available to you. They'll see by the eyes of the spirit and they'll step out and step up.

Increase is coming to My people, increase because of necessity. Increase because of an increase in faith. Every time I breathe with a new wind, there is something that begins to shake and shatter. The old ways will be turned into My ways. They will become the

highways for people to walk upon. A lighted pathway. Yes, it's narrow, yes it's straight, but it's also lighted. It also has My glory, it also has My presence, it also has everything you need along the way. It also has the desires of your heart, it also has surprises, it has presence all the way along the pathway so that you will find them and you will say "You did this for me."

And there will be such a gratefulness that will come from your heart, as you pick up those things that I have laid by the pathway of righteousness for you. From that gratefulness will come praise, sincere, honest and open praise. Praise that comes not just from lips, but praise that comes from actions and deeds. Praise that comes from everyday life and moments. Praise that emanates from you because you're so aware of Who I am in you.

Together we will walk, and the light will get brighter and brighter and brighter, for you are the lights of the world. You are the lights in My world. You are the lights that I am depending on. You are the ones that I'm going to light up with My fire. You are the ones that are going to be extreme. You are the ones who are going to have My extreme presence and My extreme giftings. You are going to be the ones who are extreme in everything that you do.

They will say, "Look at them. Aren't they something? Aren't they doing crazy things?" And you will do that which is extraordinary and you will do the exploits that I've called you to because you are walking on My path, and you are walking in My glory.

New wine for new wineskins, those who will not stretch and will not allow My wine to be poured out, they will break. And they will bust. They will return because My promises are yes and amen to you, to yours, to My people and even to those who are in desperate situations.

The darkness has increased and you see it and you hear it. But now you'll hear their cries

through the darkness. You will see the desperate situations and you will start to believe Me for the answers. I will write them for you. I have a prescription for every illness. I have an answer for every cry. I have comfort for those who mourn. I have the key for everyone who is locked up. I release it to you, My people, My lovers. The ones who care about nothing else but Me.

There is a series of events that I have already designed to bring a spontaneous reaction in the spiritual.

It's not only important, it will be a fun time, enjoyable as you do exploits and enjoy adventures in Me.

Adventures in Me are going to be fashionable. It's going to be happening. It's going to be the "cool", the "fresh", the "style" of the Kingdom.

It's going to be like one person being willing to go to a place where it was forbidden before, like Samaria. But when you begin to operate **in the moment**, and follow in obedience the voice of the Lord, the lost and hurting and dying and desperate will find the truth that will set them free.

That was the model that Jesus left for My disciples. He would go and touch the one.

But that one will say, "Come hear a man..." That's exactly what happened to change cities, and it will change cities again.

Then My disciples will touch and they will reach the one who would tell the many. That model won't have to change. Because that's My Kingdom in demonstration.

I will enlarge their hearts to have greater capacity to view people as I view people and to know the intensity of My love for every individual.

You will know My generosity, freely giving and sharing, not only money, but other valuable

things, providing more than what is needed or normal, because it's abundant, and it's ample, and it's liberal. Because I am big-hearted, free-handed, unsparing.

My generosity, that will be known to you and displayed through you, will defeat the closed-fisted and the tight-fisted and the lack of charitableness that has been in the Body of Christ.

True disciples will be My rescue parties. They will save others from evil, from confinement, from danger.

They will deliver by siege. The Church is My armed forces against the world's system that the enemy has created for substitution and distraction and detraction. No more competition, criticism and envy because they will be too excited by what they can accomplish with Me.

It is time for adventures in Me. Time to venture into the unknown without pre-determined results or compromise. Only obedience to the draw and the demand of the Spirit within as their guide, their friend, their teacher, their standby.

They will reclaim that which has been lost because My ransom is real to them. They will go forth and ransom the kidnapped with My love and My presence and bring the abandoned, the debased and those who suffered into My saving places of grace.

Training centers will be arising. The training will come from those who have experienced freedom, as they simply share the truth and impact of it. The discipleship programs will come because you will be going with Me and showing forth My love. The training centers will be those places of gathering where worship is paramount and the highest importance.

It will be the highest places where you will reach into the heavens and find the keys that will lead you through your everyday life as

well as provide you with what you will need to be effective witnesses in every stream of society.

The love and the power that you find in Me will be dominant over the stress and pressures if you will allow Me to reign supreme in your heart and life.

The least will be the greatest because they have become those who will serve and love. And as they go down, I will bring them up. Up into realms they have only heard of, but now will experience first-hand.

I am bringing you into this place of increase, but you will have to release to increase.

You will have to release the old; you will have to release old ways of thinking.

You will have to release the natural to the supernatural.

You will have to release your security for My security.

You will have to release your definitions to My definitions, so that you can increase in defying the normal.

You will have to release your doubts and your fears so you can come close to Me with abandoned trust.

You will have to increase in spiritual hunger, so that you can increase in miracles. You can increase in the spirit where your eyes will see and your ears will hear that which matters most.

You will even increase in rest because you will move **in the moment** where I direct you. You will do what I tell you to do.

When you are willing to move in the moment, I will show up in that moment. I will take you into the unknown, where My ways are going to be known and realized.

That is what “I AM” is doing.

You will join with others in lifting My name higher and higher so that it is the beacon of light that others walking in darkness are going to be able to see.

It will become an apparent difference, and many will be going after that light. They will realize they have been living in the destruction of darkness.

Those who are in darkness have been living in the defeat of lies. They have been living in the chains of the oppressed.

But now there’s an escalation, an increase beginning to happen, so My Church, My body will become capable of so much more.

You will go higher to make My name greater on the earth and to be experienced to a higher degree.

Because now My hungry Church will be more aware of who I really am, so My church will now be able to increase in their extent to how far they will be able to reach and impact.

They will increase in volume as they lift their voices to Me. They will increase in numbers because they will draw those of hunger together. They will increase in prosperity, as they release what they have in their hand for higher purposes. They will increase in intensity as they’re aware of My glory. They will increase in their ability to scope out where the problems are and also where the promises lie, as they release natural observation for spiritual observation and discernment.

Heaven is ready to interact with people of faith, humility and total dependence on their personal God.

Your Father has been looking toward this time and He has been preparing His people. Excitement has been released, new unity, new awareness of who you are as you discover

who I am. In the brightness of My light, the old is looking pathetic. But the new is looking anointed and fruitful and effective! And the hearts of My people are coming into alignment with excitement, praise and victory.

Arise and combat the place of dreaded diseases and defeat them by My love and power and presence. Arise and climb up the mountain to My presence. There you will enlarge your borders and expand your thinking and you will mount up and rise up and spread out and proliferate!

You will then see the enemy decrease and diminish and dwindle and recede.

Release everything to Me, and increase in all of My purpose.

Heaven is rejoicing as My sons and daughters are stirring themselves out of being satisfied with little when I have given them all.

It’s high time to spend time with the Most High.

Come. “I AM” is waiting. And all of the earth is waiting for you to walk in what you will find in My awesome realities.

Even curiosity seekers will come. They will see the move of My Spirit and the presence of God will accost them for His service. Souls will multiply because they’ll go tell somebody who will tell somebody, who will tell somebody. Bring them in. Bring them in.

There will be a release for the ways that worship has been because they’re going to increase in immersion. God’s Spirit will show up because He’s preparing hearts and lives with the impact of His presence.

There will be signs and wonders that will be released from heaven; there will be unusual things that no man can deny or understand. But by My Spirit I will draw them and they will know that it is by My hand that these things are occurring. And they will be different than

what they have been in the past, because they are a wonder, because they are a sign, because they are assigned to My Church.

Who will go and who will be My representation?

There will be such saturation that there will be a manifestation of apparent oil. Some will have oil dripping from their fingertips to show an outward manifestation of what the Holy Spirit is doing inwardly. It will be an outward demonstration to those in the Kingdom and those in the world.

The message is simple. The power is amazing.

When David released his stone, the crown landed on his head. There were decisions that had to be made, by all the people of Israel.

And decisions will have to be made. You will have to release what I have already invested in you if you are to feel the weightiness of the crowns I am releasing for you to rule and reign on this earth.

Dominion! I'm releasing the power for you to rule. To have control over regions. I'm working with you to have supreme authority. Powerlessness is over, as you step out of the old and step into the unknown to make it known.

David knew that his God would reign supreme, and his desire was that His name would be praised in all the earth.

That was the anchor of David's heart. That's what would save him over and over again.

He wasn't the most trained, he wasn't the oldest, he wasn't the most aware of military strategies. But because he was a man after My own heart, he released his praise. He released his stone, and the giant was defeated and a nation arose again. People called by My name.

The crowns are falling on those who will reign in the spirit.

New believers who are unaware of how to do things according to the Church's new model, will help provide the new models.

That's exactly why I will send them to the streets, to the giants, and release My power through them, because they don't have to break the model. They just walk in the new one.

The most unlikely people are going to be the extremists with the gospel and spreading the good news. Because they're radical. Their lives have been changed radically, with truth invading their impossible situations and releasing the love that was necessary to cover all their mistakes and to bring healing to their brokenness and to set the captives free.

They cannot and should not be discounted. They will actually demonstrate My ways.

Yes, they'll make mistakes. But as long as their heart is open to correction, and as long as they run to Me and run to My altar, My name will still be praised.

There's also a new grace that is being released on the people who have known Me for years. My wisdom will operate through them and My counsel will operate through them. They will be relied on in this time by Me to release balance to those who just have passion.

They will be utilized mightily and I will honor them, but they must not bring them into an old regimen. They must realize that the old will learn from the young, and the young will learn from the old, because that is the design of the Kingdom. Then My purposes will be fulfilled.

I am preparing a way and I am bringing you back into your own land. Your inheritance. Your place of operating and functioning with Me.

You are the Church. My bride, My love that has been commissioned to take back that

which the enemy has stolen. I am raising you up as an emblem over territories, as you raise up My banner, Jehovah-Nissi. Declaring Who is really reigning will enable others to come to know Me.

You will cry out for Me, as I cry out for My own to be faithful, and loyal, and to come into their own places of servanthood and utilizing all I have given them for a higher purpose. It's not just My land, it's your land. And as you stand and release yourself fully to Me, you will enjoy the increase of prosperity in every way. Emotionally, in your bodies, in your spirit and in your ability to multiply.

Jesus released His last breath as He released love in its highest form. Love that brought the enemy down. Love that caused the earth to shake and satan's stronghold to be broken.

In that moment Jesus enabled and released what only He could, to a people who were separated from Me by sin, to come and be one with Me once again. Many will come, but many still remain in the place of comfort or sin, for a season.

But My heart is still full of desire to see the kingdoms of this world be transformed into My Kingdom by people who know their King.

Breathe My love in and then release My love out. As you do, you will increase in health and bring healing to others.

More time with Me is all that is needed to reconcile the issues in your life as My love invades every area of your life. Your heart will change and great compassion will cause you to reconcile others to Me.

It's time for the new wine. It will be poured out into those who come back to Me as their priority. As they come to worship Me once again, as you did at the beginning of our relationship.

Then you will move in your destiny. Because your destiny is a life that is fulfilled in seeking

Me. You've wondered what you could do, but now you'll wonder what you can't do.

When I breathe, you'll breathe. When I move, you'll move. What I see, you'll begin to see. You'll begin to be that which I've commissioned you to be. Life is returning. Life is returning to you. Hope is returning to you. So that you can give it back out. Yes, it's a season of selflessness. It's a season where you'll be full of Me for them.

You're going to see the increase of souls because it's also My heart, but it's also the season. You'll be driven out to drive them in. You'll raise your hands up to Me, and then you'll raise your hands out to them. You will embrace those who are lovely and those who are not. You'll find peace in that.

It's time My children come home. It's time My children come home. Come home to My heart, come home to My life, come home to My ways and My directives. And then pour it out and pour it out and rivers will begin to flow, where the people can walk in and the people can swim in.

If you look at what is going on in the natural, you will begin to see the earth is shaking at what is happening, and the floods are occurring, because it's a natural sign of that which should occur in the spirit. The earthquakes are breaking open dry and barren land. It's showing that which is happening in the spirit so that new life can come forth.

I am not the one who destroys, but I am the one who takes advantage of what the enemy is causing. In the horror of what the enemy is trying to do, I am releasing glory. I am releasing hope to those who would never have turned to Me or heard the good news otherwise. As they come from every stream, you will begin to release and you will see the increase. The increase in your life and the increase of theirs. Joy unspeakable, full of My glory.

So come and dine, come and get the new wine. Come and release everything you have to Me, so I can fill you back up again.

Psalm 119:169-176 AMP

169 Let my mournful cry and supplication come [near] before You, O Lord; give Me understanding (discernment and comprehension) according to Your word [of assurance and promise].

170 Let my supplication come before You; deliver Me according to Your word!

171 My lips shall pour forth praise [with thanksgiving and renewed trust] when You teach me Your statutes.

172 My tongue shall sing [praise for the fulfillment] of Your word, for all Your commandments are righteous.

173 Let Your hand be ready to help me, for I have chosen Your precepts.

174 I have longed for Your salvation, O Lord, and Your law is my delight.

175 Let me live that I may praise You, and let Your decrees help me.

176 I have gone astray like a lost sheep; seek, inquire for, and demand Your servant, for I do not forget Your commandments. [Isa 53:6; Luke 15:4; 1 Peter 2:25.]

Isaiah 34:1 KJV
